

Log in by going to moodle.rainhammark.com. Alternatively, there are links from the front of our website within quick links or at the bottom of the home page.

First time log in

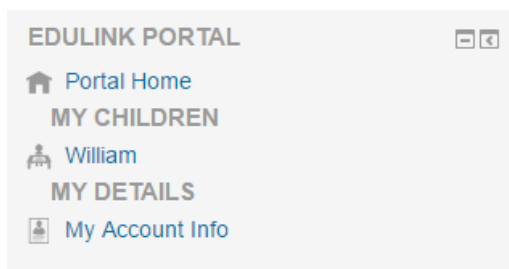

When you first log in you will be required to change your password.

Type in the current password (given to you by the school) and then type in a new password twice. Click Save Changes and then your password is changed. Click Continue

You are then returned to the home page of Moodle. Here are all the subject courses for students. The area you need to visit is the Edulink Portal. Here you can see information about your child/children. Click on the child's name.

You will then see several tabs.

Welcome

The first tab is the welcome tab. Here is a summary of your child; their timetable for today (if a school day); their attendance and the school Moodle calendar.

Attendance

The attendance tab shows attendance. If it is before 2.30pm, today's attendance will not be shown. If there are any absences these are shown at the bottom. For lateness you may click on the current Academic year chart area and it displays how lateness and absences have been recorded on our database. If you have any queries about absences, please direct them to the school office.
