		were attending their 2 link meetings per academic year.	
6	Safeguarding report		
		The Deputy Headteacher invited questions on the Safeguarding report (copy filed with the minutes). He advised all training was up to date and that NW and JS were currently undertaking child protection training to meet the required number of safeguarding officers for the school. He requested that certificates or evidence for any safeguarding training undertaken by governors be sent to S Smith who maintains these training records.	JOD/NG
7	Approve school dates and times for following year		
	7.1	<i>School dates and times:</i> Governors approved the dates and times which had been circulated previously.	
	7.2	<p>2018 Admission Yr 7 Consultation - The Exec Principal presented the revised admission policy (copy filed with the minutes) and asked for this to be approved at LGB level, then to be sent to Trustees and Members for approval so it can go out for consultation as soon as possible.</p> <p>He explained the significant changes. Score will no longer be included. The revisions will bring the oversubscription criteria more in line with the RMET ethos and values of improving education for local children.</p> <p>He further explained that pastoral care was a number one priority for the Trust and there were concerns about safeguarding issues relating to the long distance travel of some out of area students.</p> <p>Governors sought clarification on whether the sibling criteria was fair and equitable. The Exec Principal explained that if score and sibling were used as criteria, it could be unfair. However, if distance and sibling were included, it represented greater equality. Historically this hadn't been permissible.</p> <p>Governors also commented that the revised criteria regarding teacher's children could have a positive impact on staff retention across all schools within the Trust.</p> <p>Governors asked if other Medway grammar schools have changed from score as the leading criteria and the Exec Principal confirmed all others schools admission criteria was based on distance. Rochester Girls were the only exception.</p> <p>Governors unanimously agreed to recommend adoption to the Trustees and the need to go to consultation immediately.</p>	Clerk
	7.3	Yr 12 & 13 admission - The Exec Principal explained the minor change to criteria which now required a total point score of 46 for best 8 which will slightly raise the level of entry. Governors questioned whether distance would be included and the Exec Principal advised that it isn't. Governors approved the policy
